**CONSEQUENCES OF FAILURE TO PROVIDE INFORMATION:** Providing this information to is voluntary. However, failure to provide this information may result in the inability for an importer to participate in ACH Debit or Credit payment programs to pay Duties taxes and Fees related to entry. An alternative for not participating in ACH is to have the importer work as a Non-ACE Portal Account holder and make all payments due through a broker, who is an ACE Portal Account holder. Brokers are able to place eligible entry summaries for activated non-portal accounts on a broker or importer statement. For further details, please see the Federal Register Notice (FRN), 70 FR 61466, published on October 24, 2005, announcing the establishment of non-portal accounts, as well as any other applicable FRNs, at the following link: <https://www.cbp.gov/trade/priority-issues/revenue/revenue-modernization>.
